

A 6x5 grid of 30 rounded squares, each a different color. The colors are arranged in a pattern that resembles a stylized letter 'A' or a similar abstract shape. The colors include various shades of teal, green, blue, grey, and dark blue. The squares are arranged in a grid where the first row has 5 squares, the second row has 4 squares, the third row has 3 squares, the fourth row has 2 squares, the fifth row has 1 square, and the sixth row has 5 squares. This arrangement creates a central vertical column of 6 squares, with the number of squares in each row decreasing from the top and increasing again at the bottom. The colors are distributed across the grid, with some colors appearing multiple times and others appearing only once. The overall effect is a colorful, abstract composition that can be interpreted as a stylized letter or a decorative pattern.
